Why attend cheer Boot Camp?

Summer camp is a great way to advance your personal skills. In just one week of camp, you will accomplish what it takes ten weeks to do during the regular team season. During the season, we build team skills, but summer camp is the time to build on your individual skill base.

What will we be doing?

Each camp will be specifically tailored to meet the needs of each cheerleader and to advance your individual skills. Athletes will learn how to safely stunt, tumble, jump, and work on dance and motions. In addition, cheerleaders will participate in posse building activities, crafts, yoga, pom dance and so much more. A t-shirt and Friday pizza lunch will also be provided.

Where?

This year's Summer Boot Camp will be held at our "OUTLAWS" gym – the "Hideout".

Camp Counsellors / Coaches

Camps are coached by our very own Outlaw coaches who are fully certified and experienced in cheer, gymnastics and various other "OUTLAW" activities.
